I require _____ pen/pens in the collecting field for: _____

Fields: If using our fields for overnight accommodation, please ensure your pony has been wormed in the last four weeks. If your pony is anti-social (kicks, bites or figthts), please let me know so that we can try to find a separate field.

Pens: We will try to find enough hurdles to make enough pens, but preference will be given to those booking earliest. If bringing a mare with foal, please reserve a pen as early as possible as it is essential that they have a pen.

Please return to Jane Dawson (see details on Entry Form) not later than 1st July 2012
